

STUDY 4: We are future proof

“Future-proofing is the process of anticipating the future and developing methods of minimizing the effects of shocks and stresses of those future events.” List some ways people try to future proof their lives.

- 1. Read Ephesians 1:11-14, 1 Peter 1:3-9, Ezekiel 44:28**
- 2. List everything we’re told about our inheritance.**
- 3. How does this list make you feel?**
- 4. What does being “sealed with the promised Holy Spirit who is the guarantee of our inheritance” mean for us today?**
- 5. The way to guarantee your identity in Christ is to go to the cross. What stops us from doing this every day? What are some ways we can allow the assurance of the cross to penetrate deeper into our hearts?**
- 6. How does our knowing we are heirs of God with a secure future inheritance help us deal with the trials of this life? What would you say to someone who’s struggling to trust Jesus in the midst of trials?**
- 7. God is our eternal inheritance but we sometimes feel like He’s not enough. How can we re-align our hearts with the ridiculously amazing reality of our future inheritance? *(nb. See Psalm 16:11 to help answer this)***
